

AMERICAN
ORTHOTIC &
PROSTHETIC
ASSOCIATION

O&P WORLD
CONGRESS
2013 ORLANDO
FLORIDA

SEPTEMBER 18-21, 2013 | ORLANDO, FLORIDA, USA
GAYLORD PALM RESORT

Don't miss the opportunity to participate in an expanded National Assembly in 2013 as AOPA and partners from around the world work to create an O&P World Congress experience for practitioners in the Western Hemisphere and around the world.

Visit www.opworldcongressusa.org for more information.

Expand your knowledge, grow your market presence and advance your career at this unique, global gathering of high visibility and importance.

Why you should plan to attend:

- **Research and development** expenditures in the United States are more than \$95 billion, making the United States the leader in medical innovation and creating the ideal location for a unique gathering of high visibility and importance.
- **Superior Clinical Education** featuring the best speakers from around the world. Hear from physicians, researchers, and top-notch practitioners.
- **Practical learning** and live demonstrations.
- **Preparation** for the massive changes that U.S. healthcare reform is sure to bring, and its influence on global health policy.
- **Networking** with an elite and influential group of professionals.
- **Largest display** of exhibits in the United States for the orthotic, prosthetic, and pedorthic profession
- **Ideal U.S. location** chosen for travel ease and popularity.

World Congress Esteemed Planning Committee represents the brightest minds in O&P from around the world
